ASTRO'S 61ST ANNUAL MEETING
September 15-18, 2019
McCormick Place | Chicago, Illinois

Dear Dr. Palkonda,

On behalf of the *Annual Meeting Scientific Program Committee* of the American Society for Radiation Oncology (ASTRO), thank you for submitting an abstract to the 2019 Annual Meeting taking place September 15 – 18 in Chicago, Illinois, USA.

After a careful peer review and selection process, we regret to inform you that your abstract below has not been selected for presentation at the Annual Meeting nor will it be published in the conference Proceedings.

Abstract ID: 30145

Abstract Title: Stereotactic Body Radiotherapy in Primary Hepatocellular Carcinoma and Oligo Metastases to Liver : A Single Institution Experience

We thank you for your submission and hope you will still make plans to attend the meeting in Chicago to join over 11,000 colleagues from around the world. Please see the ASTRO website for more information about the meeting:

<https://www.astro.org/Meetings-and-Education/Live-Meetings/2019/2019-ASTRO-Annual-Meeting/Registration-and-Hotel/Registration>

If you have any questions regarding the selection process, please contact Johanna Vanarsdall, Sr. Manager of Scientific & Education Programs Johanna.Vanarsdall@astro.org or [1-800-962-7876](tel:1-800-962-7876).

Sincerely,

Lisa Kachnic, MD, FASTRO

Chair, Annual Meeting Scientific Program Committee

Andrea Ng, MD, MPH

Vice-chair, Annual Meeting Scientific Program Committee
