**GUIDELINES FOR ELECTRONIC-POSTERS PRESENTATION**

E-Posters should consist of a maximum of 12 Microsoft PowerPoint slides, including title slide and offering information on the following topics:

Introduction  
Material and Methods  
Discussion  
Conclusion

- 1.Use Time New Roman or Arial fonts.
- 2.Use the first slide to show the title of the E-Poster and the authors information.
- 3.Font should be no smaller than 18 points.
- 4.Maximum of 120 words on each slide.
- 5.Use a plain background without patterns or dark colors.
- 6.Use clear headings and leave spaces between sections.
- 7.Pictures and graphics should be clearly labeled and described.
- 8.Pictures and graphics should be of good quality.
- 9.Text should not be obscured by images.
- 10.Remember that simpler posters are always more attractive and easier to read.
- 11.Do not fit too much information on one slide.
- 12.Correct spelling and punctuation make your poster more attractive and informative.
- 13.E-Posters should contain no video clips/animation files.
- 14.The file should be not more than 5 MB (more than this size, it will be rejected automatically).

Selected E-Poster can be viewed any time during the conference. A specific time slot will not be required. Simply use one of the computers located in the video/e-poster area at a time convenient to you. You will be able to view all electronic posters as frequently, and as often as you wish.
